

CLASS 2

St John's Rishworth

Curriculum Newsletter

Term 3 2018

This information is given to help parents and carers to support the work their children are doing in school. If you are planning a visit to the library or a bookshop there are ideas on what you could choose. If you are arranging a visit to an attraction, you might get some ideas. Alternatively if you are working together on the computer, you can search for useful web sites.

**SCIENCE: Plants and Animals**

We will be looking at how plants grow and comparing them with plants in the rainforests. What different animals are there? We will be sorting and comparing different jungle and wild animals.

**PHYSICAL EDUCATION: Gymnastics/Games**

We will be using a Real Gym unit called Toy Box. We will learn how to do different rolls and turns and be using small and large apparatus. In Games, we will be working with partners to develop our skills using a variety of apparatus.

**COMPUTING: Y2: Making Music/Questioning. Y1: Pictograms/Coding.**

We will make charts and graphs and use the computer in different ways to record the data we collect. We will also be making our own music patterns on the computer.

**PERSONAL AND SOCIAL EDUCATION: Good to be me.**

We are thinking about ourselves and what we are good at doing. We are also thinking about how we contribute to life in class and school. We will learn more about we can get on with others.

**Cooking: Fruit and vegetables**

We will be learning more about fruits and vegetables growing in our locality and comparing them to those grown in the rainforest.

**MUSIC : Zootime**

We will be listening to different songs about animals in a reggae style. We will learn to sing and perform a song called Zootime. We will play different rhythm games.

**GEOGRAPHY: Rainforests**

What is a rainforest? What sort of animals and plants live in a rainforest? Where are there rainforests in the world? Why is it important to protect them?

**ART: Painting/Textiles**

We will be experimenting with mixing paints and colours. What different effects can we produce with paint? We will be looking at some famous artists work, especially paintings of animals by Rousseau.

**RE: Who made the world?**

What does the Bible tell us about God's creation? We will learn about how Christians care for the world.

**DESIGN TECHNOLOGY: Moving Pictures**

We will look at books which have parts that move on the page. We will create a design and make our own moving picture.
