

CLASS 2

St John's Rishworth

Curriculum Newsletter

Term 1 2016

This information is given to help parents and carers to support the work their children are doing in school. If you are planning a visit to the library or a bookshop there are ideas on what you could choose.

We would like each child to bring a named baby photograph of themselves to use in our first science lesson. We will return all photographs after the lesson.

SCIENCE: Our Senses and Sound

In our science this term we will be investigating our five senses. We will be finding out things we can do with our senses and how important they are in our lives. We will also learn about parts of our body.

PHYSICAL EDUCATION:

We will be practising the ball skills used in rugby will be playing simple games. We will also be practising some movements and routines to music in dance.

Computing: Writing and Drawing

This term in Computing we will be developing our skills to create and print pictures. We will learn to take pictures, download images and manipulate them into a collage. We will also use paint programmes to draw ourselves.

PERSONAL AND SOCIAL EDUCATION: Our Friends

In our PSHE we will be thinking about what makes a good friend and how we can be a good friend. We will be talking about our feelings and the feelings of others and will think about playing happily together.

**HISTORY: The Fire of London
Guy Fawkes**

We will be looking at London long ago for our history work and how a big fire started there. We will find out how it was finally stopped. We will also find out about Guy Fawkes.

MUSIC : Sounds Interesting

In music we will be looking at different sounds we can make with a variety of instruments. We will be singing songs in different ways.

GEOGRAPHY: London Landmarks

Have you ever been to London? You can tell us what you saw! We will be looking at photographs of some important places in London.

ART: Collage

We will have fun in art creating pictures using different materials. We will use different materials to make up a collage and study the work of different artists.

RELIGIOUS EDUCATION: Families and Friends

We will talk about how important our families are to us and the special things we do together. We will think about stories about families from the Bible.

DESIGN TECHNOLOGY: Making Soup/Musical Instruments

We will use the peas grown in the school garden to make a healthy soup. We will also look at some musical instruments and investigate the sounds they make and then make our own.
