## **Trustees' report**

The trustees present their annual report together with the financial statements and independent auditor's report of the Charitable Company for the period 1 September 2016 to 31 August 2017. The annual report serves the purpose of both a trustees' report and a directors' report under company law. The Trust operates a primary academy in Rishworth, Calderdale, West Yorkshire. It has a pupil capacity of 140 and had 140 pupils on roll at the end of the academic year 2016/17.

### **Structure, Governance and Management**

The Academy Trust was incorporated on 16 November 2012 and opened as an Academy on 1 December 2012.

### **Constitution**

The Academy is a company limited by guarantee and an exempt charity. The Charitable Company's memorandum and articles of association are the primary governing documents of the academy. The trustees of St John's Church of England Primary School, Rishworth are also the directors of the charitable company for the purposes of company law. The charitable company is known as St John's Church of England Primary School, Rishworth.

Details of the trustees who served during the year are included in the Reference and Administrative Details on page 3.

### **Members' Liability**

Each member of the Charitable Company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

### **Method of recruitment and appointment / election of governors**

Governors are recruited in accordance with the following procedure:

- Foundation Governors are appointed through a nomination/ratification process by the PCC of St John's Church, Rishworth.
- Parent Governors are appointed through a process of nomination and election by the parents of registered pupils at the Academy in order to represent their views on the Governing body.
- Staff Governors are appointed through a process of nomination and election by the staff in order to represent their views on the Governing body.
- Local Authority Governors are appointed by Calderdale LA.

### **Governors**

In accordance with the Academy's articles and funding agreements there are currently a total of 13 governors. Three governors act as members for the charitable activities of St John's, and are also directors of the Charitable Company for the purposes of company law.

## **Trustees' report (continued)**

Governors are appointed for a 4 year term of office. Details of governors who served throughout this period can be seen below.

Rev Chris Ball (Vicar, ex-officio)

Mr Stephen Byrne (Foundation, Chair and trustee)

Mrs Leah Boyd (Foundation and trustee)

Mrs Claire Douglas (Foundation)

Mrs Patricia Bassano (Foundation)

Mr Tom Green (Foundation and trustee)

Mrs Joanna Wasyliv (Headteacher)

Mrs Diane Haigh (Staff)

Miss Rebecca Bell (Staff)

Mr Daniel Needham (Parent, re-appointed 9/12/16)

Mr Jonny Steel (Parent)

Mrs Jenny Stead (Foundation)

Mr Richard Neville (Foundation, appointed 22/9/16)

During this time, the governors held four full governing body meetings.

### **Policy and procedure adopted for the induction and training of new governors**

The initial training and induction provided for new governors is based upon the school's Code of Conduct for Governors. Further training will depend on their existing experience and skill set. During the period, the Academy has utilised the Governor's Training programme provided by the local authority. All governors are provided with copies of minutes, accounts, budgets, school development and school self-evaluation plans together with DfE Ofsted documents such as Raise on Line plus any other documents that they will need to undertake their role as governors. As there are normally only two or three new governors a year, induction tends to be done informally.

### **Organisational Structure**

The academy has a leadership structure that consists of the members, governors, and the senior leadership team (SLT). The aim of the leadership structure is to devolve responsibility and encourage involvement in decision making at all levels. The Headteacher is the Accounting Officer.

The members and the governors are responsible for setting general policy, adopting an annual plan and budget, approving the statutory accounts, monitoring the academy by use of budgets and other data, and making major decisions about the direction of the academy, capital expenditure and staff appointments.

## **Trustees' report (continued)**

The SLT consists of the Headteacher, the Assistant Headteacher and the Key Stage Manager. The SLT controls the academy at an executive level implementing the policies laid down by the governors and reporting back to them. The Headteacher and Resources Committee are responsible for the authorisation of spending within agreed budgets. (Some spending control is devolved to budget holders which must be authorised within the scheme of delegation). The Headteacher is responsible for the appointment of staff.

### **Arrangements for setting pay and remuneration of key management personnel**

The Headteacher's annual performance management is conducted by the Headteacher's performance management committee together with an independent School Effectiveness Officer. Any pay recommendations are brought to the FGB for ratification.

The Assistant Headteacher's and Key Stage Manager's annual performance management is conducted by the Headteacher. Any pay recommendations are brought to the Resources committee for ratification.

Pay for members of the SLT falls in line with LA policy and is based upon performance against their performance management objectives, responsibilities of the post and size of the school.

### **Objectives and Activities**

The principal activity of the academy is to provide free education for pupils between the ages of four and eleven to advance for the public benefit, education in the United Kingdom, in particular, but without prejudice, to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing a Church of England school designated as such, (the Academy) which shall offer a broad and balanced curriculum, and shall be conducted in accordance with the principles, practices, and tenets of the Church of England, including, any trust deed governing the use of land used by the academy both generally and in particular, in relation to arranging for religious education and daily acts of worship, and having regard to any advice issued by the Diocesan Board of Education.

The academy's main strategy is encompassed in its philosophy statement that is:

'We believe that children learn best when they are happy and have the confidence to respond to the challenges within a caring Christian environment where adults lead by example.

We value the role of parents, families and the community in the education of our children, and we endeavour to keep our practices under systematic review, with the aim of continuing improvement.'

Our overall aims are:

'To maximise the academic attainment of each child, and to maximise the personal, social, spiritual and physical development of each child.'

## **Trustees' report (continued)**

### **Strategic report**

#### **Targets for Achievement and Performance**

The school's targets for the academic year 2016 - 2017 were:

1. To continue the good to outstanding leadership of the school.
2. To review and further develop the quality of teaching, learning and assessment.
3. To enhance the personal development, behaviour and welfare of all pupils.
4. To ensure all pupil groups make progress which is expected or exceeding in relation to their starting points.
5. To move EYFS provision towards outstanding.
6. To strengthen the Christian ethos of the school.

#### **Key Performance Indicators**

The academy is in its fourth full year of operation. The total number of students on roll at the end of July 2017 was 140 (July 2016 – 131); this is split between the year groups as follows:

Rec	20
Y1	20
Y2	20
Y3	21
Y4	18
Y5	20
Y6	21
Total	140

The academy has 5 classes all of which are mixed age. Each class has a teaching assistant for at least part of the day. The academy had 56 registers of interest (July 2016 – 45) for 20 reception places for September 2017.

#### **Attendance**

Attendance at St John's CE Primary School is high: 97.0% for the academic year 2016-17 compared to National 2015-16: 94.1% (academic year 2015-16 - St John's: 97.7%).

Persistent absenteeism (above 10% absence) is low: 2.9% for the academic year 2016-17 compared to National 2015-16: 8.8% (academic year 2015-16 - St John's: 2.6%).

#### **Achievement data**

All data stated for 2017 is provisional and awaiting validation. National data for 2017 is not yet available.

#### **Foundation Stage:**

The children in our Reception year group follow the Early Years Foundation Stage Framework. The percentage of children achieving a 'good level of development' in 2017 was as follows:

Personal, social and emotional development (PSED)	100% (100% 2016)
Communication and language (CL)	100% (100% 2016)

**Trustees' report (continued)**

Physical development (PD)	100% (100% 2016)
Literacy	75% (74% 2016)
Maths	80% (89.5% 2016)

The percentage of children achieving a good level of development across the 3 prime areas together with literacy and mathematics was 75%, (NA 2016: 69%, St John's 2016: 74%). The school was moderated in EYFS during this period.

**KS1**

Y1: The national phonics test was taken in June 2017. 85% of St John's children passed this test compared with 80% in 2016 and 81% nationally 2016.

**Y2 SATs**

The SAT tests were taken this year for all Y2 children. The results show that the percentage of KS1 children working at the expected standard or above is higher than the national average in reading, writing and maths. The percentage of children working at a higher level for reading, writing and maths is also above the national figure.

<b><u>Year 2 2017 SATs</u></b> <b>(100% of pupils took their SAT tests)</b>	<b>Has not met the expected standard</b>	<b>At the expected standard or above</b>	<b>Working at greater depth</b>
Reading, writing and maths combined		<b>65%</b> (National : 64%)	<b>10%</b> (National : 11%)
Reading	<b>20%</b>	<b>80%</b> (National: 76%)	<b>30%</b> (National : 25%)
Writing	<b>30%</b>	<b>70%</b> (National : 68%)	<b>25%</b> (National : 16%)
Maths	<b>20%</b>	<b>80%</b> (National: 75%)	<b>25%</b> (National : 21%)

**KS2****Y6 SATs**

The SAT tests were taken this year for all of our Y6 children.

The results show that the percentage of KS2 children working at the expected standard or above is considerably higher than the national average in reading, writing, EGPS and maths. The combined figure for reading, writing and maths is considerably above the national figure. The percentage of children working at a higher level for reading, EGPS and maths is also considerably above the national figure, with writing being slightly above.

**Trustees' report (continued)**

At the end of KS2, the 2016 -17 Y6 cohort of 21 achieved success as follows:

<b><u>Year 6 2017 SATs</u></b>	<b>At the expected standard or above</b>	<b>Has achieved high standard</b>	<b>Average scaled score</b>
Reading writing and maths combined	<b>95%</b> (National: 61%)	<b>19%</b> (National: 9%)	N/A
Reading	<b>100%</b> (National: 71%)	<b>48%</b> (National: 25%)	<b>109</b> (National: 104)
Writing (teacher assessment)	<b>95%</b> (National: 76%)	<b>19%</b> (National: 17%)	N/A
Maths	<b>100%</b> (National: 75%)	<b>71%</b> (National: 23%)	<b>113</b> (National: 104)
EGPS	<b>100%</b> (National: 77%)	<b>62%</b> (National: 31%)	<b>111</b> (National: 106)

**Progress**

<b>KS1 to KS2 progress</b>			
	<b>Reading</b>	<b>Writing</b>	<b>Maths</b>
Whole cohort (20 ch)	<b>+1.62</b>	<b>-0.74</b>	<b>+5.93</b>

As previously, for KS2, maths, reading and EGPS tests are externally marked, with writing being teacher assessed.

**Inspections**

The school had two inspections during the academic year 2014-2015. In January 2015, the statutory inspection of Anglican and Methodist schools (SIAMs) was undertaken and the "distinctiveness and effectiveness" of St John's as a C of E school was graded as good. In March 2015, St John's had its Ofsted inspection and was graded as good overall, with the behaviour and safety of pupils graded as outstanding.

## **Trustees' report (continued)**

### **Going concern**

After making appropriate enquiries, the Governing Body has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

### **Financial Review**

#### **Statement of financial position.**

The academy held fund balances at 31 August 2017 of £1,741,736, comprising £1,654,709 restricted funds and £87,027 unrestricted funds.

Most of the academy's income is obtained from the Department for Education (DfE), via the ESFA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the ESFA during the period ending 31 August 2017 and the associated expenditure are shown as restricted funds on the statement of financial activities.

As at 31 August 2017, the net book value of fixed assets was £1,586,803 and movements in tangible fixed assets are shown in note 11 in the financial statements.

The assets were used mostly for providing education and the associated support services to pupils of the academy. The academy also receives grants for fixed assets from the ESFA. In accordance with the Charity's statement of recommended practice 'Accounting and reporting by charities', such grants are shown in the statement of financial activities as restricted income in the fixed asset fund. The buildings and other assets were transferred to the academy on conversion. The land is leased from Diocese of Leeds, for 125 years on a peppercorn rent of £0.00 per annum. The playing field is leased from Calderdale Council for 25 years at nil cost.

Land and buildings were valued for rebuild purposes at £2,805,000.

Other assets have been included in the financial statements at our best estimate, taking into account purchase price and remaining useful life.

The excess of expenditure over income for this period, including one-off transfers (excluding restricted fixed asset funds) was £32,028.

The balance of funds remaining is budgeted to be largely utilised for the education benefit of pupils on roll at the academy for the 2017 – 2020 budget cycle.

The academy has taken on the deficit from the local government pension scheme for non-teaching staff transferred on conversion. The deficit is incorporated within the Statement of Financial Activities, as detailed in note 24.

Key financial policies adopted or reviewed during the period include the policies which lay out the financial management, including the financial responsibilities of governors, budget holders and other staff, as well as delegated authority for spending. Others include Lettings policy, Investment policy, Charging and Remissions policy and the Statement of Internal Control.

The Governors have adopted a Responsible Officer Policy and used the services of Eileen Bamford until September 2016 to undertake a programme of internal checks on financial controls. From December 2016, the internal audit department from Calderdale MBC were appointed to take over the role of Responsible Officer. During the year, the governors received three reports from the Responsible Officer, which contained no matters of significance.

## **Trustees' report (continued)**

### **Reserves Policy**

The governors review the reserves each term. The review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of any reserves. The governors take into consideration the future plans of the academy, the uncertainty of future income streams and any other key risks identified. The governors anticipate using a large proportion of these reserves over a 5 year period to maintain and enhance educational standards and provision for children.

### **Investment policy**

The academy has no current investment policy but it is the intention to transfer any surplus funds to a high interest account with instant access if interest rates make this a worthwhile proposition.

### **Principal Risks and Uncertainties**

The governors have assessed the major risks to which the academy is exposed and a system has been implemented to assess risks that the academy faces, especially in the operational areas (e.g. in relation to teaching, health and safety and educational visits) and in relation to the control of finance. They have introduced systems including operational procedures (e.g. vetting of new staff and visitors, supervision of grounds, health and safety and child protection policies and procedures) in order to minimise risk.

The academy has an effective system of internal financial controls and this is explained in more detail in the Internal Control section of the Governance Statement (p16). Where any financial risk remains, they have ensured that they have adequate insurance cover under the RPA, as from November 2015.

### **Plans for future period**

The Academy plans to:

- continue the good to outstanding leadership of the school, particularly through enhancing the role of the middle and subject leaders.
- review and further develop the quality of teaching, learning and assessment through reviewing its whole-school curriculum.
- enhance the personal development, behaviour and welfare of all pupils with a particular focus on pupil voice and improving site security.
- ensure all pupil groups make progress which is expected or exceeding in relation to their starting points.
- move EYFS provision towards outstanding.
- strengthen the Christian ethos of the school by reviewing the whole-school values.

### **Funds held as custodian trustee on behalf of others**

The Academy and its governors do not act as custodians or trustees for any other charity.

**Trustees' report (continued)**

**Auditors**

The Auditors, Simpson Wood Limited Chartered Accountants, Huddersfield, were re-appointed during the period and will be proposed for re-appointment at the forthcoming FGM. In so far as the governors are aware:

- there is no relevant audit information of which the Charitable Company's auditors are unaware
- the governors have taken all steps that they ought to have taken in respect of any relevant audit information and established that the auditors are aware of that information

The Trustees' report, incorporating a strategic report, was approved by order of the board of trustees, as the company directors, on 7 December 2017 and signed on the board's behalf by:

Signed.....

**Mr S Byrne**  
**Chair**

## **Governance Statement**

### **Scope of Responsibility**

As Governors, we acknowledge we have overall responsibility for ensuring that St John's Church of England Primary School, Rishworth has an effective and appropriate system of control; financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Governing Body has delegated the day to day responsibility to the Headteacher as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between St John's Church of England Primary School, Rishworth and the Secretary of State for Education. She is also responsible for reporting to the Governing Body any material weaknesses or breakdowns in internal control.

### **Governance**

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The full governing body has met 4 times during the academic year. Attendance during this period was as follows:

Name	Meetings attended	Out of a possible
Mr Stephen Byrne	4	4
Rev Chris Ball	1	4
Mrs Leah Boyd	3	4
Mr Tom Green	4	4
Mrs Claire Douglas	3	4
Mr Jonny Steel	3	4
Mrs Joanna Wasyliw	4	4
Mrs Diane Haigh	4	4
Miss Rebecca Bell	3	4
Mrs Patricia Bassano	3	4
Mrs Jenny Stead	4	4
Mr Daniel Needham	3	4
Mr Richard Neville	4	4

## **Governance Statement (continued)**

### **Governance reviews**

The Responsible Officer carried out a Governance review during the academic year 2016/17. Very good controls in relation to governance procedures were reported and no matters of significance were found.

The Resources Committee is a sub-committee of the main governing body. Its purpose is to monitor, evaluate and review policy and performance in relation to financial management, to ensure compliance with reporting and regulatory requirements, to receive reports from the Responsible Officer and work with the school to draft the annual budget including staffing levels. It also incorporates the role of an audit committee.

Attendances at meetings in this period were, as follows:

Name	meetings attended	out of a possible
Mr Stephen Byrne	3	3
Mrs Joanna Wasyliw	3	3
Mrs Clare Douglas	1	3
Mr Richard Neville	3	3
Mr Daniel Needham	3	3
Mr Tom Green	3	3
Miss Rebecca Bell	3	3

### **Review of Value for Money**

As accounting officer, the headteacher has responsibility for ensuring that the academy trust delivers good value in the use of public resources. The accounting officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The accounting officer considers how the Trust's use of its resources has provided good value for money during each academic year, and reports to the board of Trustees where value for money can be improved, including the use of bench-marking data where available.

The accounting officer for the academy trust has delivered improved value for money during the year by:

- the majority of indicators for pupil achievement show that pupils at the school are performing at a standard that is above the national average, whilst still carrying forward a healthy surplus.

This is demonstrated by the results for the 2016/2017 academic year being at least in line with, and in many cases above National averages.

The School has embedded the new tracking system implemented during the 2015/16 academic year, for individual pupils which tracks levels of progress from Reception through to Year 6. This means

## **Governance Statement (continued)**

that any underperforming pupils can be quickly and easily targeted with a range of intervention strategies.

Attainment and progress in EYFS and KS1 is broadly in line with and in many cases above National averages.

Attainment in KS2 is significantly above National averages for all subjects except for writing which is broadly in line. Progress figures for KS1 to KS2 progress show that reading and maths are above the national figure, with writing being broadly in line with the national figure.

Although numbers are small, students eligible for the pupil premium continue to achieve well compared to National figures, with 100% of KS2 disadvantaged children achieving the expected level or higher in reading, EGPS and maths. For writing 67% of the children achieved the expected level and 33% were below expected. Progress figures show that disadvantaged children make progress that is broadly in line with non-disadvantaged children in the cohort at St John's.

- Robust governance and oversight of Academy Trust finances

The school has governors who are highly skilled in the area of finance and both support and challenge the headteacher.

The school benefits from a suitably qualified Responsible Officer (RO). The RO reviews key financial policies, systems and procedures, including the use of tenders and presents reports on compliance to the Resources Committee.

The school receives support throughout the year from its External Auditors on compliance and accounting practices.

The Resources Committee receives regular financial monitoring reports. The Governors approve the budget each year and are mindful of the need to balance expenditure against income to ensure the school remains a 'going concern'.

- Ensuring the operation of the Trust demonstrates good value for money and efficient and effective use of resources

The school continues to use the RPA for its insurance provision, as this continues to provide very good cover at a reduced rate.

Tender exercises are regularly undertaken to ensure that high value contracts are assessed against the marketplace. Long term contracts (3 to 5 years) are also assessed in the same way to ensure that they remain competitive.

For purchases between £2,000 and £25,000; 3 quotes are required. For purchases above £25,000 formal tendering procedures are applied ie the involvement of project managers.

- Maximising income generation

The school explores every opportunity to generate income through the hire of its facilities.

- Reviewing controls and managing risks

Full Governors, the Resources Committee and the Senior Leadership Team review expenditure within each budget heading regularly and make adjustments based on the effectiveness of strategies introduced in previous years and any new strategies identified in the School Development Plan.

## **Governance Statement (continued)**

The school works with other schools collaboratively to ensure that procurement costs are kept to a minimum.

The school aims to maximise its resources by having regard for environmental concerns: energy consumption, recycling and reducing waste and procurement.

### **The Purpose and System of Internal Control**

The system of internal control is designed to manage risk at a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of the Academy Trust's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place for the period 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and financial statements.

### **Capacity to Handle Risk**

The governing body has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The governing body is of the view that there is a formal on-going process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the period 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the governing body.

### **The Risk and Control Framework**

The academy trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the governing body
- regular reviews by the Resources Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- delegation of authority and segregation of duties
- identification and management of risks

The governing body has considered the need for a specific internal audit function and has decided not to appoint an internal auditor. However, the governors appointed Eileen Bamford (April 2013) as Responsible Officer ('RO'). From December 2016, the internal audit department from Calderdale MBC were appointed to take over the role of Responsible Officer. The RO's role includes giving advice on financial matters and performing a range of checks on the academy trust's financial systems. As planned, on a termly basis, the RO reported to the governing body on the operation of the systems of control and on the discharge of the governing body's financial responsibilities. In particular, the checks carried out in the current period include:

**Governance Statement (continued)**

- testing of income and school meals systems
- testing of governance systems
- testing of the payroll systems and the single central record

Nothing of note was reported during the period 2016-17.

**Review of Effectiveness**

As Accounting Officer, Mrs Joanna Wasyliw, has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the Responsible Officer
- the work of the external auditor
- the financial management and governance self-assessment process
- the work of the executive managers within the academy trust who have responsibility for the development and maintenance of the internal control framework

The Accounting Officer of St John's Church of England Primary School, Rishworth has been advised of the implications of the result of their review of the system of internal control by the Resources Committee and a plan to address any identified weaknesses and ensure continuous improvement of the system is in place.

Approved by order of the members of the Governing Body on 7 December 2017 and signed on its behalf by:

.....  
**Mr S Byrne**  
**Chair**

.....  
**Mrs J Wasyliw**  
**Accounting Officer**

**Statement on Regularity, Propriety and Compliance**

As Accounting Officer of St John's Church of England Primary School, Rishworth I have considered my responsibility to notify the academy trust governing body and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with ESFA terms and conditions of funding, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2017.

I confirm that I and the academy trust governing body are able to identify any material irregular or improper use of all funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2017.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the academy trust governing body and ESFA.

.....

Date: 7 December 2017

**Mrs J Wasyliv**  
**Accounting Officer**

## **Statement of Trustees' Responsibilities**

The governors (who act as trustees for the charitable activities of St John's Church of England Primary School, Rishworth and are also the directors of the Charitable Company for the purposes of company law) are responsible for preparing the governors' report and the financial statements in accordance with the Annual Accounts Direction issued by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable laws and regulations.

Company law requires the governors to prepare financial statements for each financial year. Under company law the governors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charitable Company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the governors are required to:

- select suitable accounting policies and then apply them consistently
- observe the methods and principles in the Charities SORP 2015 and the Academies Accounts Direction 2016-2017
- make judgments and accounting estimates that are reasonable and prudent
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charitable Company will continue in business

The governors are responsible for keeping adequate accounting records that are sufficient to show and explain the Charitable Company's transactions and disclose with reasonable accuracy at any time the financial position of the Charitable Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charitable Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The governors are responsible for ensuring that in its conduct and operation, the Charitable Company applies financial and other controls, which conform to the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the ESFA/DfE have been applied for the purposes intended.

The governors are responsible for the maintenance and integrity of the corporate and financial information included on the Charitable Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## **Independent Auditor's Report to the Members of St John's Church of England Primary School, Rishworth**

### **Opinion**

We have audited the accounts of St John's Church of England Primary School, Rishworth for the year ended 31 August 2017 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017 issued by the Education and Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2017 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the accounts is not appropriate; or
- the trustees have not disclosed in the accounts any identified material uncertainties that may cast significant doubt about the Academy Trust's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the accounts are authorised for issue.

### **Other information**

The other information comprises the information included in the annual report, other than the accounts and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information.

## **Independent Auditor's Report to the Members of St John's Church of England Primary School, Rishworth (cont)**

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the Trustees' Report including the incorporated strategic report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the Trustees' Report including the incorporated strategic report have been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the trustees are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

**Independent Auditor's Report to the Members of St John's Church of England Primary School, Rishworth (cont)**

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## **Independent Reporting Accountant's Assurance Report on Regularity to St John's Church of England Primary School, Rishworth and the Education and Skills Funding Agency**

In accordance with the terms of our engagement letter dated 10 October 2016 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2016 to 2017, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by St John's Church of England Primary School, Rishworth during the period 1 September 2016 to 31 August 2017 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to St John's Church of England Primary School, Rishworth and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to St John's Church of England Primary School, Rishworth and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than St John's Church of England Primary School, Rishworth and ESFA, for our work, for this report, or for the conclusion we have formed.

### **Respective responsibilities of St John's Church of England Primary School, Rishworth's accounting officer and the reporting accountant.**

The Accounting Officer is responsible, under the requirements of St John's Church of England Primary School, Rishworth's funding agreement with the Secretary of State for Education dated 17 December 2010 and the Academies Financial Handbook, extant from 1 September 2016, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2016 to 2017. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2016 to 31 August 2017 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

### **Approach**

We conducted our engagement in accordance with the Academies Accounts Direction 2016 to 2017 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

**Independent Reporting Accountant's Assurance Report on Regularity to St John's Church of England Primary School, Rishworth and the Education and Skills Funding Agency (cont)**

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- Consideration of the evidence supporting the Accounting Officer's statement on regularity, propriety and compliance which may include review and corroboration of the most recent Financial Management and Governance Evaluation or equivalent.
- Evaluation of the general control environment of the academy trust, extending the procedures required for financial statements to include regularity.
- Assessment and testing of a sample of the specific control activities over regularity of a particular activity.
- When performing sample testing of expenditure, consider whether the activity is permissible within the academy trust's framework of authorities.

**Conclusion**

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2016 to 31 August 2017 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

All of the cash flows are derived from acquisitions in the current financial period.

## **Notes to the Financial Statements for the Year ended 31 August 2017**

### **1 Statement of Accounting Policies**

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

#### **Basis of Preparation**

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2015 to 2016 issued by EFA, the Charities Act 2011 and the Companies Act 2006.

#### **Going Concern**

The governors assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The governors make this assessment in respect of a period of one year from the date of approval of the financial statements.

#### **Incoming Resources**

All incoming resources are recognised when the academy trust has entitlement to the funds, certainty of receipt and the amount can be measured with sufficient reliability.

- Grants receivable

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received but not expended during the period is shown in the relevant funds on the balance sheet. GAG funding and grants with specific performance conditions are included in the SOFA on a receivable basis. The balance of the income received but not expended in the period is shown in the restricted funds on the balance sheet. Grants received for fixed assets are credited to the fixed asset fund in the SOFA and carried forward in the balance sheet. Where income is received in advance of entitlement of receipt its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

- Sponsorship income

Sponsorship income provided to the academy trust which amounts to a donation is recognised in the Statement of Financial Activities in the period in which it is receivable, where there is certainty of receipt.

- Donations

Donations are recognised on a receivable basis where there is certainty of receipt and the amount can be reliably measured.

## **Notes to the Financial Statements for the Year ended 31 August 2017**

### **1 Statement of Accounting Policies (continued)**

- Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the goods have been provided or on completion of the service.

- Donated Services and gifts in kind

The value of donated services and gifts in kind provided to the academy trust are recognised at their open market value in the period in which they are receivable as incoming resources, where the benefit to the academy trust can be reliably measured. An equivalent amount is included as expenditure under the relevant heading in the Statement of Financial Activities (SOFA), except where the gift in kind was a fixed asset in which case the amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's policies.

- Transfer of Property

The Premises are occupied by the school on a 100 year lease at a rent of a peppercorn per annum. Due to the nature of the lease the buildings have been capitalised at their estimated value and the same amount treated as incoming resources within the SOFA.

### **Resources Expended**

All expenditure is recognised in the period in which a liability is incurred and has been classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portions of the asset's use. Other support costs are allocated based on the spread of staff costs.

- Costs of generating funds

These are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

- Charitable activities

These are costs incurred on the academy trust's educational operations.

- Governance Costs

These include the costs attributable to the academy trust's compliance with constitutional and statutory requirements, including audit, strategic management and Governors meetings and reimbursed expenses.

All resources expended are inclusive of irrecoverable VAT.

### **Tangible Fixed Assets**

Assets costing £3,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

## **Notes to the Financial Statements for the Year ended 31 August 2017**

### **1 Statement of Accounting Policies (continued)**

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the Statement of Financial Activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the academy trust's depreciation policy. Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Long leasehold buildings	2%
Fixtures, fittings and equipment	20%
ICT equipment	33%

For assets transferred from the predecessor school, depreciation is calculated on the original cost rather than the value at which the asset was transferred.

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

### **Leased Assets**

Rentals under operating leases are charged on a straight line basis over the lease term.

### **Taxation**

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

### **Pensions Benefits**

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS').

These are defined benefit schemes, are contracted out of the State Earnings-Related Pension Scheme ('SERPS'), and the assets are held separately from those of the academy trust.

## **Notes to the Financial Statements for the Year ended 31 August 2017**

### **1 Statement of Accounting Policies (continued)**

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quinquennial valuations using a prospective benefit method. As stated in Note 24, the TPS is a multi-employer scheme and the academy trust is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis.

The TPS is therefore treated as a defined contribution scheme and the contributions recognised as they are paid each year.

The LGPS is a funded scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities.

The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and gains and losses on settlements and curtailments. They are included as part of staff costs. Past service costs are recognised immediately in the Statement of Financial Activities if the benefits have vested. If the benefits have not vested immediately, the costs are recognised over the period until vesting occurs. The expected return on assets and the interest cost are shown as a net finance amount of other finance costs or credits adjacent to interest.

Actuarial gains and losses are recognised immediately in other gains and losses.

### **Fund Accounting**

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the governors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Education Funding Agency where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received and include grants from the Education Funding Agency, Department for Education and donations held for a specific purpose.

### **Critical accounting estimates and areas of judgement**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### *Critical accounting estimates and assumptions*

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates

**Notes to the Financial Statements for the Year ended 31 August 2017**

and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 24, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2013 has been used by the actuary in valuing the pensions liability at 31 August 2017. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

**Notes to the Financial Statements for the Year ended 31 August 2017****8 Staff costs**

Staff costs during the period were:

	Total 2017 £	Total 2016 £
Wages and salaries	374,740	374,235
Social security costs	28,110	22,980
Other pension costs	<u>60,156</u>	<u>58,978</u>
	<b>463,006</b>	<b>456,193</b>
Supply teacher costs	8,522	17,722
Compensation payments	<u>-</u>	<u>-</u>
	<b><u>471,528</u></b>	<b><u>473,915</u></b>

The average number of persons (including senior management team) employed by the Academy during the year were as follows:

	2017 No.	2016 No.
<b>Charitable Activities</b>		
Teachers	4	5
Administration and support	11	13
Management	<u>3</u>	<u>2</u>
	<b>18</b>	<b>20</b>

The number of employees whose emoluments fell within the following bands was:

	2017 No.	2016 No.
£60,001 - £70,000	1	1
£70,001 - £80,000	<u>-</u>	<u>-</u>

Of the employees above, the number participating in pension schemes and the employers contributions paid on their behalf were as follows:

		2017	2016
Teachers Pension Scheme	No.	1	1
	£	<u>8,890</u>	<u>7,963</u>
Local Government Pension Scheme	No.	-	-
	£	<u>-</u>	<u>-</u>

The key management personnel of the academy trust comprise the trustees and the senior management team as listed on page 3. The total amount of employee benefits (including employer pension contributions) received by key management personnel for their services to the academy trust was £155,827 (2016: £147,752).

**Notes to the Financial Statements for the Year ended 31 August 2017****9 Remuneration and expenses of Trustees and Trustees who are Staff Governors**

Principal and staff governors who are trustees only receive remuneration in respect of services they provide undertaking the roles of Principal and staff and not in respect of their services as trustees. Other trustees did not receive any payments, other than expenses, from the Academy in respect of their role as trustees.

The value of trustees who are staff governors remuneration including pension contributions was as follows:

Mrs J Wasyliw (principal and trustee)	Remuneration: £65,000 - £70,000
	Pension: £ 5,000 - £10,000
Mrs D Haigh (staff trustee)	Remuneration: £45,000 - £50,000
	Pension: £ 5,000 - £10,000
Miss R Bell (staff trustee)	Remuneration: £45,000 - £50,000
	Pension: £ 5,000 - £10,000

During the period ended 31 August 2017, there were no travel and subsistence expenses paid to trustees.

Related party transactions involving the trustees are set out in note 25.

**10 Governors' and Officers' Insurance**

The academy trust has opted into the Department for Education's risk protection agreement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring on academy business, and provides cover up to £10,000,000. It is not possible to quantify the trustees and officers indemnity element from the overall cost of the RPA scheme.

The specific purposes for which the funds are to be applied are as follows:

- i) Under the funding agreement with the Secretary of State, the Academy Trust was not subject to a limit on the amount of GAG that it could carry forward at 31st August 2017.
  - ii) Other DfE/ EFA Grants were received for pupil premium . Pupil premium was used to address underlying inequalities between pupils eligible for free school meals and their wealthier peers by ensuring that funding was used to tackle disadvantages and reach the pupils who need it most.
  - iii) Pension Reserve is a defined benefit scheme reserve from the Local Government Pension Scheme.
  - iv) Restricted fixed assets were funded by the transfer from the predecessor school, devolved formula capital grants from the EFA and capital money held by the Diocese of West Yorkshire and the Dales.
  - v) Unrestricted Funds were funds transferred from the predecessor school, funds received from insurance claims and funds raised from Catering and Lettings income.
- These funds can be expended on any purpose of the Academy Trust at the discretion of the Governors.

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

## **Notes to the Financial Statements for the Year ended 31 August 2017**

### **24 Pension and similar obligations**

The academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by West Yorkshire Pension Fund. Both are multi-employer defined-benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS was 31 March 2012 and of the LGPS 31 March 2013.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

#### **Teachers' Pension Scheme**

##### **Introduction**

The TPS is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change in contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis - these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

##### **Valuation of Teachers' Pension Scheme**

Not less than every four years the Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- . employer contribution rates set at 16.48% of pensionable pay, including a 0.08% employer administration charge (currently 14.1%)
- . total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- . an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- . the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of return of real earnings growth is assumed to be 2.75%. The assumed nominal rate is 5.06%

During the year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4% which was payable from September 2015. The next valuation of the TPS will be as at 31 March 2016, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The Pension costs paid to TPS in the period amounted to £40,420 (2016 £38,437).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS102, the TPS is a multi-employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

**Notes to the Financial Statements for the Year ended 31 August 2017****24 Pension and similar obligations (continued)****Local Government Pension Scheme**

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2017 was £27,000 of which employer's contributions totalled £20,000 and employees' contributions totalled £7,000. The agreed contribution rates for future years are 16.1% per cent for employers.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding local government pension scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

<b>Principal Actuarial Assumptions</b>	<b>At 31 August 2017</b>	<b>At 31 August 2016</b>	<b>At 31 August 2015</b>	<b>At 31 August 2014</b>
Discount Rate	2.50%	2.00%	3.80%	3.70%
RPI Inflation	3.20%	3.10%	3.10%	3.10%
CPI Inflation	2.10%	2.00%	2.00%	2.10%
Rate of increase to pensions in payment	2.10%	2.00%	2.00%	2.10%
Rate of revaluation of pension accounts	2.10%	2.00%	2.00%	2.10%
Rate of increase to deferred pensions	n/a	n/a	n/a	2.10%
Rate of general increase in salaries	3.35%	3.50%	3.50%	3.60%

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	<b>At 31 August 2017</b>	<b>At 31 August 2016</b>
<i>Retiring today</i>		
Males	22.1	22.7
Females	25.2	25.6
<i>Retiring in 20 years</i>		
Males	23.0	24.9
Females	27.0	28

**25 Related Party Transactions**

Owing to the nature of the academy trust's operations and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which a trustee has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the academy trust's financial regulations and normal procurement procedures.

The following related party transactions took place in the period of account:

Adoofa - a company in which C Douglas, a trustee, has an interest. Transactions totalling £29.
