Autumn Term 2019

<p>Science – Animals, including humans</p> <p>In Autumn term, you will be learning more about senses. You will label the parts of the human body and learn which body parts are linked to our senses. You will consider how we use our senses and how other animals use their senses.</p> 	<p>PSHE – New Beginnings and Safety Week</p> <p>You will learn about how new beginnings make us feel and consider how to manage tricky emotions in a new class. You will also learn how to work together in class to create a community. In Autumn 1, school will also hold our annual safety week.</p> 
<p>History – The Great Fire of London</p> <p>Our history topic this term will be about the Great Fire of London. You will learn more about what happened on the 2nd September 1666. You will learn more about how London changed after this devastating fire. You will also learn more about fire and firefighters.</p> 	<p>Geography – London</p> <p>This term, you will learn more about the capital city of England. You will compare the map of London from before and after the fire of 1666. You will also map out present day features and attractions in London.</p> 
<p>Physical Education – Games and Dancing</p>  <p>You will learn to throw and roll hoops and quoits in a controlled way. You will play games with a partner to skim and bowl these different types of equipment. You will also learn more about dancing to prepare you for our annual Nativity.</p>	<p>Religious Education- Why is the word God so important to Christians?</p> <p>You will learn more about how God is a very important person to Christians. You will find out why God's name is respected and kept holy. You will also learn that God created a wonderful world.</p> 
<p>Design and Technology – Cooking</p> <p>You will be learning to prepare and cook pea soup. You will collect peas and other vegetables from the school garden. You will also use your senses to evaluate the soup when taste testing it.</p> <p>Art – Painting</p> <p>You will be painting portraits. You will start by using paints and brushes to create a self portrait. This term you will also study the artist Mondrian and explore colour mixing.</p> 	<p>Music - Ourselves</p>  <p>You will explore ways of using your voice expressively. You will develop singing skills while performing actions and creating an expressive story. You will also learn to sing songs for our annual Nativity.</p> <p>Computing – Online Safety and Instructions.</p> <p>In Computing, you will learn how to keep yourself safe when logging on to Purple Mash and working online. You will also learn the importance of giving computers the correct instructions to follow..</p>
