Allah can humiliate you and protect you from humiliation. Do not be one who oppresses others out of arrogance. Know that Allah is the fashioner of our destiny. All praise is for Allah.

Application

Quran 3:26

The Humiliator

Meaning

There are no thoughts or sounds that does not reach Allah. *Draw closer to Allah with continued devotion until He loves you, and when He loves you: you will have an opening in your hearing. *-Hadith

Application

Quran 2:127 & 2:256

The Hearer of All

Meaning

Our goal is to see the Truth with the eyes and ears of Allah. *Draw closer to Allah with continued devotion until He loves you, and when He loves you: you will have an opening in your seeing. *- Hadith

Application

Quran 4:58

The Seer of All

Meaning

Al-Hakam

الحكم

Al-'Adl

العدل

Al-Latif

اللطيف

Allah is the bringer of justice and truth. There is no justice but His. He has already written your destiny, so do not fret about the past or the future. Occupy your heart with your Lord and follow His divine laws.

Application

Quran 22:69

The Judge

Meaning

Justice secures peace, balance, order, & harmony. It is the opposite of tyranny. If there was no ugly, we would be blind to beauty. Both good and bad are necessary which Allah uses to teach us. We must learn acceptance and trust in Allah's justice.

Application

Quran 6:115

The Just

Meaning

There is a divine secret to how things fit into each other: the pearl within the oyster, the fetus within the mother's womb, the honey in the bee, and in our hearts can be found the knowledge of Allah. Look for the inner beauty in all things. Be gentle.

Application

Quran 6:103

The Subtle One

Meaning

Thank you for visiting www.noorjanan.blogspot.com where I share my homeschool experiences with others whom may want to know how our Muslim family does it. I love to create printables of all sorts and I love to see my children use the printables I made especially for them. This love has continued from my days as a Third Grade teacher. I also want others to be able to find the joy of learning with these printables.

TERMS OF USE: *Please download these printables for free, all that I ask is that you do not reproduce, sale, host, or store them on any other website or storage retrieval system. If you like to share them please link back to www.noorjanan.blogspot.com . Never share the google document site. Reproduction and sale of these printables are prohibited. For individual and classroom use only. Attach this page to any printed book.*

Allah knows everything that you think and do in secret. He also knows your secret needs and wishes without you even praying for it. Allah gives to you by His Will. Our responsibility is to see our own arrogance, hypocrisy, envy, selfishness, anger, excessive love for the world and cure them.

Application

The All-Aware
Quran 17:30

Meaning

Allah waits and gives you time to realize your mistakes and to repent them. Allah is compassionate and would rather forgive than to take vengeance. Allah loves those who are slow to condemn, waits for others to have a change of heart, and are forgiving.

Application

The Forbearing
Quran 2:225

Meaning

All of us are apart of Allah's magnificent creation. He is the Greatest. Not even your wildest imagination can understand His Greatness. Prostrate and glorify Allah often.

Application

The Magnificent
Quran 2:255

Meaning

Al-Ghafur

الغفور

Ash-Shakur

الشكور

Al-'Ali

العلي

Allah not only pardons, but veils our sins from other human beings. If everyone knew of the other's hateful thoughts, etc., no one would get along. He also allows us to forget our sins, so we won't constantly be drowning in self guilt. Remember to forgive and hide other's faults like Allah hides ours.

Application

The Forgive & Hider of Faults
Quran 2:173

Meaning

Not being thankful for our countless blessings can lead to a state of disbelief. When we are thankful to Allah, He accepts our thankfulness, and still yet rewards us with something better. Let us turn our hearts in thankfulness to our Lord often.

Application

The Rewarder of Thankfulness
Quran 35:30

Meaning

Allah is above and encompasses all that has been, all there is, and all there will be. His Height cannot be measured by the limits of human intellect. There is a gift in your humbleness. So be virtuous and generous. Be supportive and help those around you.

Application

The Highest
Quran 2:255
