

How to login

1. Search for google using chrome (ideally) or internet explorer and click sign in. You can also download an app called 'google classroom'.

2. Children will then need to sign in using their google accounts. The children should remember their account details.

firstname.surname@stjohnsrishworth.org.uk

Password: Rishworth

***Remember to put a capital letter for 'R'.

Any problems with account details then admin can send you their details.

3. Now you will need to join your classroom. Once you are signed in click the small little squares in the right hand corner (9 squares). Then click classroom. You will then be able to click and join your year group classroom (some classes might have already joined their classroom during their computing lessons).
